

Universal Synthetic Power Steering Fluid

PN X704 (64oz)

XLR8™
ACCELERATE PERFORMANCE

Product Description:

XLR8 Universal Synthetic Power Steering Fluid combines exceptional low-temperature fluidity with outstanding shear stability to meet and exceed the OEMs' strictest requirements. This product is formulated for power steering systems that require high-performance lubricants such as CHF+.

Not recommended for top-off.

Advantages & Uses:

- Advanced, full synthetic formulation for superior performance.
- Meets or exceeds the following vehicle specifications including but not limited to:
 - GM Saginaw 9985010
 - Chrysler MS 1872
 - Chrysler MS 5931
 - Ford M2C195-A
 - Mercedes Benz PN 00 989 8803
 - GM 9985835 Wide Temperature Performance (synthetic multi-temperature)
 - Saab PN 30 09800
 - Subaru PN K0Z09A0080
- Helps keep power steering units clean.
- Helps reduce wear and valve noise over a wide temperature range.
- Non-foaming and non-corrosive.
- Compatible with ALL power steering systems.

Features:

- Helps protect against wear, oxidation and corrosion.
- Helps restore quiet, smooth steering control.
- Conditions seals and hoses.
